

SVENSKA ORTODONTIFÖRENINGEN
The Swedish Association of Orthodontists

First Announcement

Welcome to
the XIX Congress of the Nordic Orthodontic Society
August 24 – 26, 2006 in Båstad, Sweden

Every second year the Nordic orthodontists meet in one of the Nordic countries and it is our great pleasure to invite you to attend the XIX Congress of the Nordic Orthodontic Society, which is going to be held in Båstad, Sweden Thursday, August 24 - Saturday, August 26, 2006.

Båstad is a nice coastal village famous for its ancient tennis tournaments and its beautiful surroundings. The congress venue is ideally located directly at the seafront with excellent facilities for both business and pleasure.

We hope the meeting will bring together an interesting mix of keynote speakers and also provide an opportunity for scientists and orthodontists to participate in short lectures and poster presentations.

The Swedish Association of Orthodontists looks forward to seeing you in Båstad!
